Current Covid-19 Policies:

Everyone entering facility will have a temperature check and should be wearing a face covering. Per USAG rules **all** Spectators, judges and coaches will be expected to wear face coverings unless actively eating or drinking. We have tried to keep the sessions small so that we do not have to limit number of spectators, but we do ask that you try to maintain social distancing when possible. Athletes will be asked to wear face coverings when not actively competing and during awards.

We do plan on having awards outdoors on a covered patio weather permitting. This will allow us to clean and sanitize competition and seating areas between sessions more effectively. If we are not able to have awards outside, you will be asked to clear gym immediately after awards so that we can clean and sanitize areas. In order to not have a full day of Friday sessions, I have made the sessions quite close together and we will ask people to wait outside until previous session has cleared. We appreciate your cooperation in this matter.
