Current Covid-19 Policies:

Everyone entering facility will have a temperature check and should be wearing a face covering. All Spectators, judges and coaches will be expected to wear face coverings unless actively eating or drinking. We have tried to keep the sessions small so that we do not have to limit number of spectators, but this could change based on current city/county guidelines. We will send out emails to gyms if this happens.

Athletes will be asked to wear face coverings when not actively competing and during awards.
